

## **BUSINESSEUROPE**

BUSINESSEUROPE is the leading advocate for growth and competitiveness at European level, standing up for companies across the continent and campaigning on the issues that most influence their performance. A recognised social partner, it speaks for enterprises of all sizes in 36 European countries whose national business federations are its direct members.

BUSINESSEUROPE is committed to promoting effective tax governance and collaborative efforts to address tax-related challenges at the European level. It has a longstanding Taxation expert group of practitioners from businesses and member federations as well as a long track record of engaging with the European Commission at all levels to help develop EU tax policy, as well as maintaining a dialogue with European stakeholders as well as Member States' tax authorities.

As the global tax landscape continues to evolve, BUSINESSEUROPE advocates for good governance in tax practices and continued cooperation between governments and businesses to ensure that new rules are clear, transparent, objective and predictable.
